The background of the slide is a dark, monochromatic photograph of a welder. The welder is wearing a protective mask and gloves, and is captured in the middle of a welding process. Bright sparks are visible as the welding torch meets the metal workpiece. The overall scene is dimly lit, emphasizing the light from the welding process.

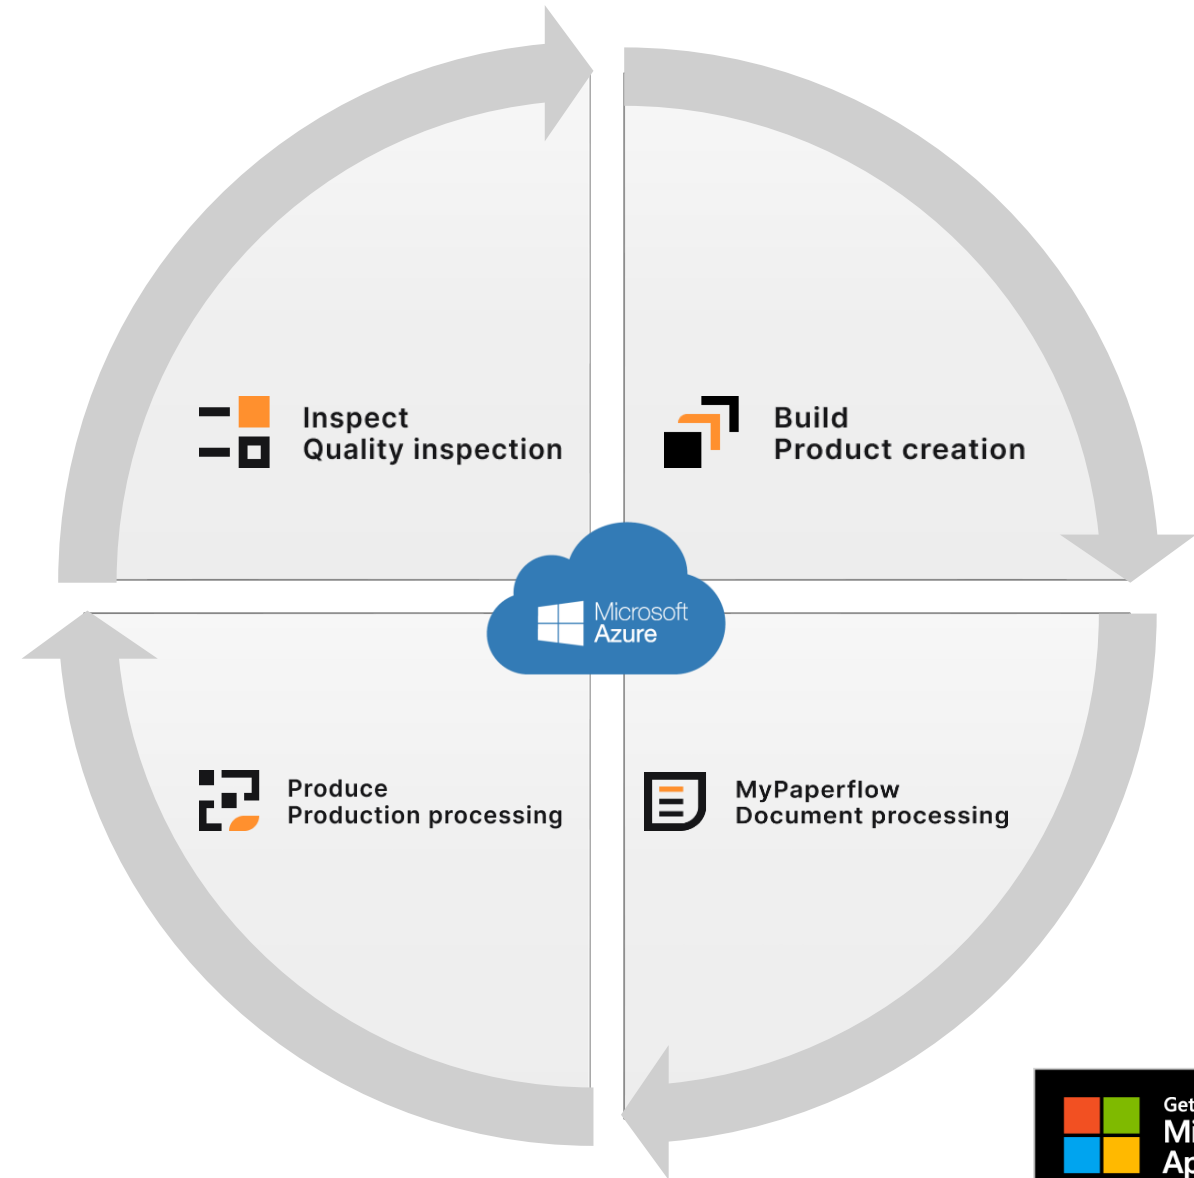

Our offering for Microsoft Dynamics 365 Business Central

Accelerate **digital transformation** with Cloud Apps

Automate production, quality inspections, product management, invoice handling and so much more.

KEY BENEFITS

- Role-based applications
