SAP Business One, Beas Manufacturing

Movex is an Italian company that produces conveyor components for the beverage industry. The production plant is in Italy and they count with 7 branches around the world; in Europe, USA and Far East. Their goal is to give the best service to customers developing new products and giving the best service on the international market. For this purposes, they counted from day one in 2011 on SAP Business One and Beas Manufacturing to help them achieve this goals.

Before: Challenges and Opportunities

- Needed a tool that would allow their global employees to have a complete overview of the production.
- A lot of manual work in order to collect and analyze necessary data.
- Integrate all branches in one platform.

Why SAP and Beas Manufacturing

- SAP is a guarantee of ROI.
- Brainsystem has great knowledge and experience in the manufacturing industry.
- Beas Manufacturing is one of the best solutions in the marked.

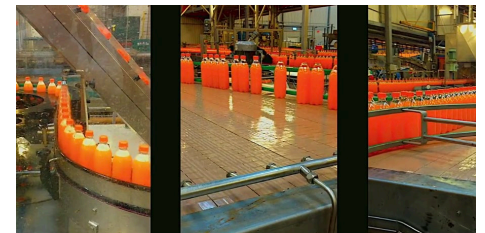

After: Value-Driven Results

- Control over industrial lost of production.
- Stock level reduction through MRP Implementation.
- Very simple to use and with only one click all needed data is available.

"I would describe Beas Manufacturing with three words: efficiency, cost effective and easy to use".

Andrea Memoli. Supply-Chain Manager. Movex. Bergamo.
