Pacific Andaman improves its business operation processes by 10% with B1 Usability Package

Pacific Andaman (SEA) Co., Ltd. (PAS) is a newly formed JV company between Myanmar and Thailand. They specialize in Logistics, Warehousing, and Brand Promotion services for Fast Moving Consumer Goods (FMCG). Among the Clients/Brands which PAS currently services in Myanmar includes HiQ canned mackerel (Thailand), PT Monde Mahkota biscuits (Indonesia), 3M, Unicharm, pH care, USHIDO Shampoo, and YUPI Indo Jelly Gum with many more on the way.

Customer Challenges

- Manual entry in the sales order form of some fields.
- Sales Order entry department was affected.

Solution

- Adding field on Sales order UI form and printing.
- Save time in the Sales Order process instead of manual.

Results

- SO creation time, is sped up in the business operation process.
- More speed up at Sales Order creation and picking process at the warehouse.

**"WAREHOUSE PROCESSES WERE AFFECTED.
RIGHT NOW, NO MORE ISSUES."**
