

**Boyum add-on(s):** B1 Usability Package (B1UP), B1 Print & Delivery, B1 Budget, B1 Document Manager, B1 Time Task, B1 MailChimp

---

### Reasons for choosing Boyum:

Boyum IT provides stable, powerful modules that work independently to bring flexibility and productivity to SAP Business One users. The industry-specific solutions are customized to meet specific operating requirements.

---

### Functionality covered with Boyum add-ons and not through standard SAP Business One:

- ✓ B1 Print & Delivery functions that save time, money and resources
  - ✓ Universal Functions that enables enhanced system functionality
  - ✓ PLD transfer between companies
- 

### How Boyum and Vision33 work together

As the global leading reseller for SAP Business One, Vision33 is focused on providing the SAP Business One application for growing businesses and subsidiaries of large enterprises. Boyum extend the value of their SAP Business One investment with industry-specific customizations.

Together, they bring the right balance of software, world-class consulting and support services to help customers better manage and grow their business.
